MD AJMEER KHAJA

khajamdajmeer@gmail.com | (+91) 6300207822 | @Portfolio

EDUCATION

- ❖ Computer Science Engineering | Deccan College of Engineering, Hyderabad   (Aug '20 – Jul '23)

- ❖ Diploma Electrical Electronics Engineering | Sree Visvesvaraya Polytechnic, Mahabubnagar
  (Jun '17 – Mar '20)

PROJECTS

- ❖ **MHB Services Website   -   A Web application Using MERN Stack.**

  Designed and developed the MHB Services Website as a freelance project, utilizing the MERN stack to cater to service-based business. The platform functions as a comprehensive client database, alongside an advanced admin dashboard to monitor employee and technician progress, optimize workflows, and enhance operational efficiency.

- ❖ **Car Rental Front-End**

  This front-end project focuses on a car rental platform that simplifies the user experience. It enables seamless browsing, comparison, and car selection, catering to personal and business rental needs.

EXPERIENCE

- ❖ **Front End Web Developer Intern | Etihad Prime Pvt Lmt, Hyderabad**   (Mar '22 – Jun '22)
  - Collaborated in a team to develop and enhance an Education Institute's website.
  - Utilized HTML, CSS, JavaScript, and responsive design techniques with REACT.js Framework.
  - Worked with UI/UX designers and back-end developers to integrate design elements and ensure a seamless user experience.
  - Contributed to code reviews and issue resolution to maintain code quality.

SKILLS

- ❖ HTML, CSS, JAVASCRIPT
- ❖ React.js, Node.js, Express.js
- ❖ MERN Stack
- ❖ Git, Responsive Web Design
- ❖ Agile Development, Problem Solving

OBJECTIVE

As a motivated and detail-oriented web developer with expertise in HTML, CSS, JavaScript, React.js, Node.js, Express, and Git, my goal is to secure a position that allows me to apply my technical skills and problem-solving abilities to create exceptional user experiences. I am eager to contribute to a dynamic team and drive innovation in web development projects.

HOBBIES

- ❖ **Watching Anime**
- ❖ **Reading Manga**
- ❖ **Playing Chess**
